

Following God's Plan Thoroughly

conforming your whole life to God's will

Matthew 4:12-17

Want It

Teach me, O Lord to follow your decrees; then I will keep them to the end. (Psalm 119:33)

Learn It

God's will consists of both **general** and **specific** instructions for our lives.

God may have specific plans for where I **live** and where I **go**.

God may have specific plans for what I **do** with my life.

We may face **hindrances** to our obedience.

Live It

God, where do you want me to live or go?
God, what do you want me to do with my life?

Teach It

Tell others your story.

Explain the discovery process.

Ask about progress.

The Take-away: Both my residence and my occupation should conform to God's will.
