

# Every Step Matters

Matthew 3:13-17

## Learn It

God wants each of us to go **all the way** in our pursuit of righteousness.

Certain things are **required** along the way to fulfill all righteousness.

## Live It

There are four **common** steps to fulfill all righteousness (belief, confession, baptism, repentance).

There are also **personal** steps that embrace the uniqueness of your life (follow, reflect, strengthen, help).

## Teach It

**Teach** other believers what Jesus teaches (belief, confession, baptism, repentance).

**Guide** them to righteousness (review, remind, accompany).

## The Takeaway

*God wants me to abandon any gray areas of unclear, indistinct, half-hearted, casual Christianity and pursue every step to righteousness.*
